Subject: Recommendation Letter for SP's Story and Content Creation Course

To: Vance Ang Heyang (Aiss) <[vance\\_ang\\_heyang@students.edu.sg](mailto:vance_ang_heyang@students.edu.sg)>

Dear Member of the Singapore Polytechnic Admissions Committee,

I would like to endorse Vance Ang Heyang (Class 4 Excellence) for his aptitude in the English language, specifically in the fields of communications, media and content creation.

I have taught Vance English since the beginning of 2023.

Vance is a gregarious and outgoing student who has a knack for telling stories creatively. He is passionate in learning about the art of how stories are told, and this is exuded in how he always steps up to share and present in varying platforms and capacities.

Some of his notable endeavours and contributions include:

1. Emcee for the class's Values-In-Action project
2. Participating in the Applied Learning Programme: News Reporting in the 21st Century module at Republic Polytechnic
3. Designing costumes and presenting for our class's National Day Celebration

Beyond these passionate pursuits, Vance's personable and expressive character is a great addition to the class, making him a well-liked friend to all his classmates. His presence brightens up any room he is in, contributing positively to our classroom environment. I am confident that Vance would be a great fit to SP's Story and Content Creation Course.

Thank you.

Best,

Zest **Tan** (Mr.)
